Our sailing season is off to a fantastic start! Wonderful to see so many of our fleet out enjoying perfect conditions with sunny days, brisk breezes, & sparkling seas! Our smiles and laughter tell the tale. A heartfelt "Thank You" to all who came out on our ocean playground. Looking forward to the rest of our season!

AMSS General Meeting Announcement

Ragtime

Date: May 7th, 2026
Where: Southwestern Yacht Club
Time: 7:15pm

The May AMSS General Meeting will feature a presentation by current **Ragtime** caretaker Tina Roberts. This promises to be a very interesting presentation that will highlight the storied past of this 1963 radical yacht.

Ragtime is a legendary racing yacht known for her radical design and risk-taking spirit. Built in 1963 by John Spencer in New Zealand, she broke from convention with her ultralight monohull design.

Now, under the stewardship of Tina Roberts, Ragtime is getting back on the waves to inspire a new generation of sailors, celebrating her 60th year with a fresh chapter of exploration and competition. <https://ragtimesailing.com/>

BOARDED! A NEW PIRATE ADVENTURE

On The Water Adventures - Special Event

This hilarious interactive show puts visitors right in the middle of the pirate action. Participants will be sworn in as part of the ship crew, trained how to navigate, sword fight, bail water from a sinking ship, escape from the King's Jail, swab the deck and other pirate skills. Performances are 90 minutes, twice each scheduled date. Your vessel will either be the San Salvador or the California.

Four upcoming performances this spring (May 16, June 13), more this summer.

Visit the Maritime Museum of San Diego website for information and tickets!
